Tuition Installment Plan

By planning early, you can add your tuition and fee payments to your monthly household budget. This allows you to avoid the large, lump sum payment due before the beginning of each semester.

To view your student account, current rates online, or to estimate tuition, please visit the following website:

http://studentabc.rutgers.edu

If you have already estimated the tuition amount and would like to enroll in the payment plan, visit the following website and complete the New Member section. Follow the on-screen prompts to finalize the activation process.

Rutgers Tuition Payment Plan Enrollment

Are you aware that an average semester bill for a full-time New Jersey resident at Rutgers starts at approximately $6,500 and goes up to around $13,000 with housing and dining? This translates to between $13,000 and $26,000 a year for attending college. Please plan ahead to meet the costs of higher education.

Through our partnership with University Accounting Service (UAS), we are pleased to offer you the ability to enroll in the Rutgers University Tuition Payment Plan (RUTPP).

The Rutgers Tuition Payment Plan is a monthly contract with our third party billing servicer, University Accounting Service (UAS). This plan allows you to pay your tuition and fee charges monthly, for an enrollment fee of just $60 for the annual plans and $50 for the semester plans.

This is an interest free plan. Unlike a loan, you can join this plan and pay monthly without accruing interest or having a large debt at the time of graduation. If you budget with Rutgers, you can reduce the amount of loans you will need, and in turn, reduce the amount you actually pay for your education.

Students and parents have the option of enrolling in one of several of our payment plans. The Annual Payment Plan allows you to pay your expenses over the course of an academic year and the Semester Plan allows you to pay over the course of the fall, spring, summer, or third term semesters.

The Rutgers University Board of Governors establishes and approves tuition and fees in mid July. When you receive your term bill, review your RUTPP contract to ensure that the total of your contract covers your tuition and fee charges. If you have an annual contract, double your semester charges to determine if your annual contract covers your annual charges.
