Notes:

The University has approved a 15 percent reduction of the campus fee for the 2020-2021 academic year (this reduction does not apply to the off-campus fee). A line item credit for the campus fee reduction will not appear on the term bill, only the final charge for the campus fee will be reflected.

For all Newark graduate schools nine credits is considered full time for the purpose of assessing fees. Full time campus, school and computer fees are assessed at nine credits. Tuition is charged per credit up to a maximum of twelve credits except for Business and Law which are billed a flat rate at twelve credits.
