Important Notices, Terms and Conditions

The university will no longer mail term bills to your home address. Use this web page to access your account. Here you can view your semester charges based on your registration and financial credits applied to your account. Each semester you must confirm your attendance at the university by paying the term bill. Additionally, by confirming your attendance, you agree to pay your account balance in full. If your balance is not paid, you accept the responsibility to pay all collection costs, which may include but is not limited to late fees, costs of collections, attorney’s fees and litigation costs.

If your term bill balance is zero, you can confirm your attendance by logging in and following the link for Confirmation of Attendance. Please be advised that if your aid is reduced or if your account charges increase, even after receiving a refund check, you are obligated to pay the outstanding balance on your account.
